NOTE.

Dated... 31st December... 1914.

Letter dated 29th December. 1914 from Mrs. P. J. Kumaraswamy Naik requesting that, as a special case, she may be allowed to draw the insurance amount of Rs. 12,000 due to her late husband without being asked to produce a certificate of heirship, so that she may be in a position to liquidate her husband's debts without delay and — trouble.

Will the Secretary kindly let me know, before I go on tour, whether it is possible to comply with the request of the lady and, if so, take action accordingly ?

31.12.14 *Ac*

Secretary)

The request of Mrs. Kumaraswamy Naik is opposed to Rule 23, Insurance Rules. The only course open is to advise her to obtain a certificate from a competent Court of law:

That is the correct course. But there are precedents in which this rule was relaxed. If the Patu is referred to the Insurance Committee, a report will be sent up. *H*

I shall be glad if action is taken accordingly & early decision communicated to the lady on the authority of the First member.

1

Sir,

I, the widow of the late ~~Mr.~~ B.J. Kumaraswami Naik, respectfully beg to bring the following facts and circumstances to your kind notice with full hopes that you will, with your usual kindness, take the necessary steps to relieve a helpless widow from her numerous difficulties.

2. You know, Sir, that my husband died suddenly on 3rd October last, leaving me, my three children and another boy from his first wife also under my care quite in a helpless and destitute condition. I was in the family way when my husband died on the 3rd October 1914. On the 12th instant, I gave birth to a son and this means a further burden to me in my present miserable condition.

3. My husband was drawing Rs.1,200/- per month as Deputy Commissioner, 1st class, and his sudden death has reduced the income of the family to Rs.15/- only (for his share (i.e. the amount of the Pallegar Pension drawn by my late husband)). I am thankful to you, Sir, for the pension of Rs.50/- recently sanctioned and words are inadequate to express the gratitude of myself and my children to you. I may be allowed to state even this will not improve my pecuniary difficulties to any material extent, as the property left by my husband does not count for much at all. The house in which we live now and which is still unfinished in several respects is the only important item in the property -- worth mentioning as also the amount of the Insurance about -- Rs.12,000/- ~~Against~~ this, there is a liability of about Rs.8000/-

Debts Rs.5,500
Motor Car 2,500

8,000/-

and this includes Rs.2,500/- due to Government for the Motor. It is imperative that these accounts

should be immediately settled as several creditors have already placed their accounts in the hands of their solicitors

solicitors. I am afraid these may take legal recourse sooner if nothing is done in the matter and this will certainly affect the reputation and honour of my husband and family.

4. The only means with which I can clear these debts is by getting the Insurance amount outstanding with Government. I beg to state that if all the formalities are to be undergone in getting a court certificate of heirship to recover the -- insurance amount, it will mean endless trouble to me and it may take months before the matter can be settled. This will also drown me in further pecuniary difficulties as I will have to pay the Court expenses and the equally heavy Pleaders' fees. Thus there will be a further reduction in ^{an} already reduced ~~re-~~
~~duced~~ resources of the family.

5. I am the legal heir of the family as also the legitimate guardian of the children including the boy by the 1st wife of my ^{husband's} ~~wife~~. I may mention here, that this boy has been examined by a competent Medical Board under orders of the Deputy Commissioner, Bangalore District, and declared incapable of taking care of himself on account of defective mental development. (I have attached a copy for ready reference). The boy was only a year or so when I was married and since then, I have myself -- brought up the boy as my own son. He continues to be under my care only.

6. Under these circumstances I humbly beg to request that you may kindly order the Deputy Commissioner of the Bangalore District to clear the debts of the family out of the Insurance amount of Rs.12,000/- due to the family and also to set apart such amount as you may consider it desirable for the marriage of my eldest daughter who is now of 15 years of age and whose marriage I have arranged to perform in a month or two. After this, is done, the balance may kindly be ordered to be invested in 4% Mysore Government securities or as a deposit either in the Government Treasury or the Mysore Bank and the interest paid to me from time to time for the maintenance and support of the family. By this means the endless troubles in which I and the family would be involved in obtaining a Court

Court certificate can be obviated; while there will be a full guarantee that Government interests in dealing with the amount as requested will be fully safe-guarded.

7. I request you will kindly consider the case favourably and issue the necessary orders to the Deputy Commissioner, Bangalore District in the matter at your earliest convenience. There is none to protect me under this predicament and I am obliged to seek the help of Government as the only resort. I entreat you will please do the needful in due consideration of the long meritorious services rendered to Government by my husband, the late Mr. B. J. Kumaraswami Naik and need I beg to remind you that my husband breathed his last uttering "I have entrusted you and poor children to the kind care of my Maharaja, Dewan and Government".

Malleswaram

Sir,
